**WHAT TO DO IF YOU HAVE A COMPLAINT**

The Huron-Perth Catholic District School Board is committed to working cooperatively and responsibly with the parents of its students. At the same time, the Huron-Perth Catholic District School Board recognizes that with many employees, students, parents and guardians all engaged in the education of our Catholic students, differences in understanding, interpretation and opinion may occur. Therefore, policies and procedures are established to deal with parent-school conflicts.

**BELIEFS**

The Huron-Perth Catholic District School Board believes that:

- by initiating a process of conflict resolution, it will be better able to promote conflict resolution that is ethically sound, that responds to the needs of students, staff, and parents, and that is in keeping with the basic beliefs and practices of the Catholic Church;
- when it takes a proactive approach and open stance toward conflict resolution, it is better able to facilitate increased cooperation, communication and understanding among the members of its school community;
- conflict resolution is most successfully achieved when mutually acceptable solutions are arrived at through procedures that are designed to find what is in the best interests of the students as well as the individual school and the school district as a whole.

**RESOLUTIONS**

On the basis of the principle of "first contact" – parents must address concerns directly to teachers before raising these concerns with the school or board administration when their concerns are about their child's teacher, program, and/or program support.

Likewise, if a parent has a concern about the school administration, the parent is expected to deal with that concern with the school administration first, before raising these concerns with the Superintendent of Education.

If, in the view of the complainant, the ruling of the school principal is unacceptable, the complainant may address his/her concern(s) to the Superintendent of Education in writing. The letter must outline the nature of the original complaint, the steps that have been taken, and in what way the decision of the school principal is unacceptable. Upon receipt of such a letter, the Superintendent will direct the correspondence to the appropriate department for resolution.
